**Subject:** MOSES BOD Mtg - 2/14/12 Update

Hi All,

Here's some news from yesterday's MOSES Board of Directors' Meeting:

- Presentation by HRD: Matt Hale and others from the Human Resources Division gave a presentation about the upcoming change in Time & Attendance logging. Our paper timesheets will be replaced with swipe-card/time-clock logging or self-reporting via PC or phone (PeopleSoft & HRCMS software products). Members at 250 Washington St. may be included in the June roll-out. Members at Public Health Hospitals and the Hinton State Laboratory may have an October roll-out. Our union lawyer, Eric Klein, has attended meetings with HRD to ensure that our contract language is not compromised by this upgrade to Time & Attendance reporting. DPH Mngmt. will decide whether the time-clock method or the direct-self-reporting method is used at each work location.
- Museum of Science passes have been renewed. Contact Janet Vitiello at the MOSES office ([jvitiello@moses-ma.org](mailto:jvitiello@moses-ma.org)) to use these passes.
- Commonwealth Collective Bargaining: 56% of the membership voted. The ratification is complete – the new contract has been accepted. Two new Personal Days will be credited to us this Friday and they will be reflected on the following week's paystubs.

- All Committee Reports were given, except the Treasurer's Report. Highlights of these reports include the following.  
Our Legislative Analyst, Bridget Quinn-Watson, is lobbying for the "Bob Pino" legislation that will re-instate union protected work-status at the Dept. of Public Safety, see [http://www.moses-ma.org/Legislative\\_package.htm](http://www.moses-ma.org/Legislative_package.htm) or contact Bridget ([bquinn@moses-ma.org](mailto:bquinn@moses-ma.org)) for more information.

The Public Relations Committee is soliciting information about the work we do. Our PR advisor will write-up and communicate these stories to spread the word about the excellent work being done by us DPH-MOSES members. If you have a story idea, feel free to contact me or Mickey Splaine ([michael.splaine@state.ma.us](mailto:michael.splaine@state.ma.us)), the PR Comm. Chairman, to get the ball rolling.

The Recreation Committee is accepting ideas for MOSES sponsored events; contact Chairman Joe Bellino ([joe.bellino@state.ma.us](mailto:joe.bellino@state.ma.us)) with your ideas.

President Dorant's Administrative Report included information about the transfer of MOSES-DPH Drug Analysis laboratory members to the Department of Public Safety (there is a meeting scheduled between the union and Commissioner Auerback on 3/6/12), Federal Surface Transportation Legislation concerns, the Environmental League of Mass's "Green Budget", and radon test results at the MEMA bunker (where additional testing and mitigation may take place).

- Meeting Locations – March, UMASS Amherst; April, Pittsfield; May, Saugus. Everyone is encouraged to attend the evening Membership Meetings on the second Tuesday's of the month. See [www.moses-ma.org](http://www.moses-ma.org) for more details.

All for now,

Jill

PS: Please send to your MOSES staff with my advance appreciation.
